PROCIDA
OVERBED TABLE

Procida Overbed Table

The Procida Overbed Table combines heavy-duty construction with attractive, functional design. A mechanical spring raises the top with slight upward pressure and can be locked in any one of 15 positions between 30" and 44" in height. The thermoformed top provides spill containment, resists bacteria collection and ensures soft edges.

Procida, Italy

The smallest island in The Bay of Naples was created by the eruption of four volcanoes, now dormant and submerged. A soulful blend of lemon groves and pastel-hued houses. Procida is Italy's best-kept secret.

FEATURES

- Spring-assisted lift mechanism with (15) locking positions in 1" increments
- Height Range: 29.5" - 44.5" in (15) 1" increments
- Top Size: 18" x 32" x 3/4" Thick
